Compact Network Ready Monochrome Laser Multi-Function Centre with Automatic Double-Sided Printing

The DCP-7065DN offers all-in-one print, scan and copy capability. Fast, high quality double-sided prints, combined with affordable toner make this the perfect solution for home and small offices.

- Versatile all-in-one monochrome laser printer, scanner and copier.
- Fast printing speed of up to 26 pages per minute (ppm).
- Save paper with automatic double-sided (duplex) printing.
- Network connectivity means you can share the machine with multiple users.
- 35-sheet Automatic Document Feeder (ADF) for fast and efficient multipage scanning and copying.
- Optional high-yield toner cartridge to reduce printing costs.
- Low maintenance: large 250-sheet, dust-free paper tray and manual feed slot to print on envelopes.

DCP-7065DN Compact Network Ready Monochrome Laser Multi-Function Centre with Automatic Double-Sided Printing

With fast print and copy speed of up to 26 pages per minute and automatic double-sided printing, the DCP-7065DN lets you produce professional documents in no time. You'll get sharp, crisp text and accurate reproduction of even the finest details on the page thanks to its high print resolution.

This versatile all-in-one can scan and copy multi-page documents quickly and easily using the 35-sheet Automatic Document Feeder (ADF), saving you time for busy day-to-day tasks. The single sheet multi-purpose tray can be used to print on thicker media such as envelopes, whilst the standard dust-free paper tray boasts an impressive 250-sheet capacity so you'll replenish it less frequently.

Save on hardware costs by sharing the DCP-7065DN with multiple users on your existing network. With the DCP-7065DN, you also get a choice of standard and high-yield toner cartridges to perfectly match how much you print. All supplies, including the drum, can be replaced individually. This saves you money as you only pay for what you've used.

The DCP-7065DN's ENERGY STAR certification means a reduced energy bill for you.
