MFC-9120CN High Speed Network Ready Colour LED Multi-function Centre® with Fax

You can speedily print, fax, copy and scan high-quality documents with the space-saving MFC-9120CN. Its wide range of easy to use, cost-cutting features make it the perfect small business solution.

Brother's advanced toner-based single-pass print technology gives you fast print and copy speeds of up to 16 pages per minute for mono and colour as well as professional-quality results.

You can easily connect the MFC-9120CN to your existing wired network to share it securely among a workgroup. Together with advanced scanning options and the large 250-sheet paper tray this makes for hassle-free maintenance and a vastly improved workflow.

There are many cost-saving options at your disposal. Eliminate fax transmission costs with Internet Fax*; save paper and toner by printing several pages onto one sheet; enlarge a single page to poster size or add a watermark for a professional finish.

High energy efficiency, low noise levels and a recycling-friendly design: the MFC-9120CN is ENERGY STAR qualified.
