Compact High Quality Monochrome Laser Printer

This affordable monochrome laser printer is fast and compact offering excellent print quality. Easy to use, with affordable consumable cost, the HL-2130 deals reliably with your daily print requirements.

- Fast printing at up to 20 pages per minute (ppm)
- Excellent document quality thanks to high print resolution
- Compact, space saving design
- Low maintenance: large dust-free 250-sheet paper tray and manual feed slot to easily print on envelopes

HL-2130 Compact High Quality Monochrome Laser Printer

High print quality – and fast results

Print at speeds of up to 20 pages per minute (ppm), with the first print out in 10 seconds. Achieve sharp, crisp text and accurate reproduction of fine detail with the HL-2130's high print resolution for outstanding results.

Low running costs

Save paper and use less toner by reducing 2,4,9,16 or 25 pages onto just one A4 sheet with N-in-1 printing. Using the Toner Save Mode can further reduce your running costs.

Low maintenance

Spend less time restocking paper: the HL-2130 comes with a generous covered dust-free 250-sheet tray. Use the manual feed slot for hassle-free printing on envelopes, special paper and labels. With its very compact size and quiet operation, the HL-2130 fits everywhere, even in areas where there is limited space.

Environmentally-friendly

The HL-2130's Energy Star certified energy efficiency and Deep Sleep mode which operates at about 1 watt mean low power consumption for you.
