Versatility, speed and professional finish..

The PR-650C incorporates all the user friendly features you'd expect to find in any of the Brother home embroidery machine range, together with the speed and finish of a commercial model, making it ideal for those thinking of starting a home based embroidery business. The wide-angle HD LCD display offers vivid, crystal-clear clarity, rendering the brightest images imaginable. View high resolution design previews almost instantly - nearly three times faster than our previous models! Most importantly, you'll find the PR-650C incredibly easy to use.

Advance natural lighting system

The built-in LED lights provide effective natural lighting for your working area.

Six Needles

Embroider multi-colour designs quickly and easily. Automatic colour change allows you to pre-program the colour sequence for the design. Upper and lower thread trimmers eliminates time consuming trimming after the embroidery is complete.

Exclusive automatic needle threading

Simply press the automatic needle threading button and the upper thread will pass through the needle. It couldn't be easier!

25 Built in Fonts

Utilise the simplicity of the LCD touch screen and modify your projects with a range of lettering styles and text effects. This gives you the flexibility to add originality to your designs

Customise designs on screen

Powerful customising capabilities include arranging text, pattern rotation in 1-degree increments, change design size, and the ability to combine designs and add lettering.

Cylinder Arm

The cylinder arm makes it easy to embroider items such as caps, tote bags, sleeves, trouser legs etc.

Appliqué function

Create full colour appliqués, perfect for badges and medallions.

Included embroidery frames

Choose the ideal embroidery frame for the job from the 4 different sizes included with the PR-650C. (200 mm x 300 mm, 130 mm x 180 mm, 100 mm x 100 mm, 40 mm x 60 mm)

Versatile new features

- Single colour embroidery. Convert multi-coloured designs to single colour.
- Registration marks for easy continuous borders.
