

Brother Cares

Letting Hope Shine

On 17th June 2013, Brother Associates visited Arc Children's Centre located at Kim Keat Road. Arc is a non-profit day-care facility that provides assistance to children with cancer or other life-threatening illness.

With the aim to reach out to the community in need, Brother becomes a corporate partner of Arc Children's Centre.

As Brother continue to be involved in community work, our support to Arc Children's Centre as a corporate sponsor go beyond donations. Our associates are actively involved in engaging the children to bring them joy - letting hope shine, embodying our company motto that we will always be "At your side".
