LABELS THAT STICK.

P-touch

PT-D450

The P-touch PT-D450 electronic labeller can create durable fade resistant labels by using easy to use integrated labelling functions and print directly from your PC or Mac OS® systems.

Using built-in label design functions, large easy to read backlight display and wide PC style keyboard, it enables labels to be printed in various size and colour.

This high specification electronic labeller is the ideal labelling tool that help offices stay organised through clear identification of important items using durable P-touch laminated labels.

Print labels from PC or Mac OS® systems

Built-in barcode printing
