

MFC-9970CDW Professional Wireless Capable Colour Laser Multi-Function Centre with Automatic Double-Sided Printing

The MFC-9970CDW is the professional partner for your day-to-day business activities. Equipped with a wealth of time saving features and cost cutting solutions, you can be safe in the knowledge that this user friendly Multi-Function Centre will produce high quality result time after time.

The MFC-9970CDW offers exceedingly fast, efficient colour and monochrome print speed of up to 28 pages per minute. Together with the added double-sided print, fax, copy and scan capabilities and an intuitive 5.0" touchscreen display, it's the perfect partner for significantly increasing productivity whilst reducing costs.

Thanks to Brother's super high-yield toner cartridges and ENERGY STAR certified low power consumption, you get an exceedingly low cost per page. The automatic double-sided print feature can help to lower print costs further by reducing paper usage by up to 50%.

It's the perfect networked device for multiple users in your busy office, offering both wired and wireless network connectivity straight out of the box. For the safety of your network and your business documents, Brother has added a wealth of security features such as Secure Socket Layer (SSL) and 802.1x network encryption to the MFC-9970CDW.
